

Abi's Place mission is to nourish and rehabilitate children with Autism and complex disabilities, enhance their lives within society and cultivate independence.

## MEDIA RELEASE

I hereby authorize Abi's Place to photograph and/or video-tape my child with audio for the purposes of treatment, education, and professional reasons (i.e. marketing materials including Facebook, flyers, website, and/or special events).

I consent to my child being photographed and/or video-taped.

I do not consent to my child being photographed and/or video-taped.
